

List of Adjective Words

Below, you'll find a list of 228 commonly used adjectives that can serve as the basis for your list. These words can all be used to describe feelings or the appearance of objects and can also make it easy to describe yourself, your surroundings, and your favorite things.

You can then build up your adjective list, adding more words you like or removing ones you don't. You could even include other kinds of descriptive words, such as adverbs. By keeping this list on hand as you write, you'll be able to refer to it and effectively embellish your writing.
